Dear Mr Zinni

**PRIORITY START – BUILDING POLICY COMPONENT A REGISTRATION APPROVAL**

I am pleased to advise that **Vision Cabling Systems** has been approved and registered under Component A Registration of the Priority Start – Building Policy. This enables your company to engage in contracting options for State Government building and construction works.

Your Component A Registration number is **000641**.

As a condition of registration, **Vision Cabling Systems** will be required to demonstrate an ongoing commitment to the training of apprentices/trainees over a 12 month period prior to re-registration. The relevant documentation will be sent to you at that time.

Please contact Luisa Valenti on 9264 4839 if you have any queries regarding the Priority Start – Building Policy.

Thank you for contributing to the skills development of the building and construction industry.

Yours sincerely

Clive Timms  
**Priority Start – Building Project Officer**
